Facility of joining the AGM through VC / OAVM shall open 30 minutes before the time scheduled for the AGM.
- b) Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.
- c) Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
- d) Please note that participants connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- e) Shareholders who would like to express their views/ask questions during the AGM may register themselves as an attendee by sending their request in advance atleast 2 days prior to meeting mentioning their name, demat account number/folio number, email id, PAN, mobile number at anubhavindustrial@gmail.com
- f) The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance 2 days prior to meeting mentioning their name, demat account number/folio number, email id, PAN, mobile number at anubhavindustrial@gmail.com. 20. Instructions for Members for remote e-voting are as under:

- a) The e-voting period commences on, **Saturday, 27th September, 2025, (09:00 a.m. IST) and ends on Monday, 29th September, 2025 (5:00 p.m. IST)**. The shareholders holding shares as on the cut-off date of Tuesday, 23rd September, 2025, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- b) The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of Tuesday, 23rd September, 2025. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
- c) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of SEBI (LODR) Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- d) In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
- e) Pursuant to above said SEBI Circular, Login method for e-voting for Individual shareholders holding securities in Demat mode is given below:

INDEPENDENT AUDITORS' REPORT

TO,

THE MEMBERS OF HILIKS TECHNOLOGIES LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of HILIKS TECHNOLOGIES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the **ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance** with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Company is responsible for overseeing the financial reporting process of the company.

Auditor's Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - a. The Company does not have any pending litigations which would impact its financial position;
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
 - d. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party

- ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- e. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- f. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“Annexure A” to the Independent Auditor’s Report

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of HILIKS TECHNOLOGIES LIMITED of even date).

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of Property, Plant and Equipment:

a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Plant, Property and Equipment.

(B) The Company does not own any Intangibles, hence the clause relating to maintaining records of Intangible Assets is not applicable to the company.

b. The Property, Plant and Equipment have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

c. The Company does not own any Immovable Properties, hence the clause relating to disclosure of details of Immovable Properties is not applicable to the company.

d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year.

e. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

ii. (a) . The inventory has been physically verified by the management during the year at reasonable intervals; no material discrepancies were noticed on such verification and have been properly dealt with in the books of account.

(b) The company has not been sanctioned working capital limits in excess of Rs.5crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the order is not applicable to the company.

- iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, no loans, whether secured or unsecured, were granted to Companies, Firms, Limited Liability Partnerships or other parties, covered in the register maintained under Section 189 of the Companies Act, 2013. Hence the sub clauses (a), (b), (c), (d), (e) and (f) of the clause (iii) of Para 3 of the order is not applicable to the Company.
- iv. According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. No investments/loans were given in pursuance of provision of Sec. 186.
- v. The Company has not accepted deposits or amounts which are deemed to be deposits from the public. Hence, sub clause (v) of Para 3 of the Order is not applicable to the Company.
- vi. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/ or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.
- vii. In respect of statutory dues,
 - a. According to the records of the Company, undisputed statutory dues including Provident Fund, Income Tax, Employee's state Insurance, Service Tax, and any other Statutory Dues have been regularly deposited with appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31 March 2025 for a period of more than six months from the date of becoming payable.
 - b. According to the information and explanations given to us, there are no dues of Income Tax, Sales Tax, Service Tax or Goods and Services Tax to be deposited on account of any dispute.
- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix. In respect of Outstanding Loans,
 - a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company did not have any loans or borrowings from any lender during the year. Accordingly, clause 3(ix)(a) of the Order is not applicable.
 - b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a

willful defaulter by any bank or financial institution or government or government authority.

- c. According to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- d. According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds have been raised on short-term basis by the Company. Accordingly, clause 3(ix)(d) of the Order is not applicable.
- e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company had not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or joint venture entities as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- f. According to the information and explanations given to us and procedures performed by us, we report that the Company had not raised loans during the year on the pledge of securities held in its any subsidiaries, associate, joint venture entities as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x.
 - a. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
 - b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi.
 - a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year
 - b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - c. We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable Accounting

Standards.

- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45- IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year
- xviii. There has been no resignation of the statutory auditors of the Company during the year
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
(b). As this report pertains to the financial statements, clause 3(xxi) of the Order regarding the adverse remarks or comments by the respective auditors in the CARO reports of the companies included in the financial statements is not applicable.

“Annexure B” to the Independent Auditor’s Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of HILIKS TECHNOLOGIES LIMITED of even date).

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”).

We have audited the internal financial controls over financial reporting of **HILIKS TECHNOLOGIES LIMITED** as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence amount the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issues by the Institute of Chartered Accountants of India.

The Company is listed on the BSE Limited and MSEI Limited.

Note 2:**Basis of Preparation, Measurement and Significant Accounting Policies:****(a) Basis of preparation of Financial Statements:**

- (1) These financial statements have been prepared and comply in all material aspects with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and companies (Indian Accounting Standards) Amended Rules, 2016.

The Financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current and non-current as per the company's normal operating cycle, paragraph 66 and 69 of Ind AS 1 and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013 based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

- (2) **Basis of Measurement:**

The Financial Statements have been prepared on an accrual basis under historical cost convention or amortized cost.

- (3) **Recent accounting developments:**

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing. There is no such notification which would have been applicable from April, 2021.

MCA issued notification dated 24th March, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosure required to be made by the company in its financial statements. These amendments are applicable to the company for the financial year starting 01st April, 2021.

Use of Estimates and Judgment:

(i) The preparation of financial statement requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors including expectations of future events that are believed to be reasonable. Revisions of accounting estimates are recognized prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the relevant notes.

(b) Foreign Currency Transaction:

- (1) Effective April 1, 2018, the Company has adopted Appendix B to Ind AS 21, foreign currency Transactions and advance consideration which clarifies the date of transactions for the purpose of determining the exchange rate to use on initial asset recognition of the related Asset, expense or income when an entity has received or paid advance consideration in foreign currency. The effect on account of adoption of this amendments was insignificant.
- (2) **Functional and Presentation Currency:**
Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). These financial statements are presented in Indian Rupee (INR), which is company's functional and presentation currency.
- (3) **Transactions and Balances:**
Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

(d) Revenue Recognition:

The company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefit will flow to the entity and specific criteria has been met for each of the Company's activities.

Revenue is measured at the fair value of the consideration received or receivable, after the deduction of any discounts and any taxes collected on behalf of the government which are levied on sales such as Goods and Service Tax (GST).

- i) Revenue is recognized to the extent that it is probable that the economic benefits of a transaction will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually

defined terms of payment and excluding taxes or duties collected on behalf of the government.

- ii) Revenue from sale of goods is recognized upon transfer of significant risks and rewards of ownership of the goods to the buyer, which is on dispatch of goods to buyer.

(e) Interest and Dividend Income Recognition:

Interest income from a financial asset is recognized when its probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

(f) Income Taxes:

Amendments to Ind AS 12 Income Taxes regarding recognition of deferred tax assets on unrealized losses clarify the accounting for deferred taxes where an asset is measured at fair value and that the fair value is below the asset's tax base. They also clarify certain other aspects of accounting for deferred tax assets.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the Company generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balance relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity if any. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively if any.

(g) Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby net profit/(loss) for the year is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses

associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, cash at banks, other short term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

The above statement of cash flows has been prepared under the 'indirect method' as set out in Ind AS 7 statement of cash flows.

(h) Cash & Cash Equivalents:

Cash and cash equivalents includes cash on hand and bank balances. For the purpose of Cash Flow Statement, Cash and cash equivalents are considered net of outstanding overdrafts as they are considered an integral part of Company's cash management.

(i) Inventories:

The Company's Inventories of WIP- nature to mention here is valued at cost as certified by the management of the company.

(j) Trade receivables:

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost less provision for impairment.

(k) Financial Instruments:

(i) Financial Assets.

Classification:

The Company classifies its financial assets in the following measurement categories:

- (a) Those to be measured subsequently at fair value (either through other comprehensive income or through profit or loss) and
- (b) Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or Other Comprehensive Income.

- (c) There are no transactions in respect of classification of financial assets to be measured at fair value through Other Comprehensive Income (FVOCI) and measured at Fair Value through Profit or Loss (FVTPL).

Measurements:

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

Impairment of Financial Assets:

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 financial instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

De-recognition of Financial Assets:

A financial asset is de-recognized only when –

- The Company has transferred the right to receive cash flows from the financial asset or
- Obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the company has not transferred substantially all risks and rewards of ownership of the financial assets, the financial asset is not derecognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(ii) Financial Liabilities:

Classification as debt or equity:

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement:

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition:

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

(l) Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(m) Property, Plant and Equipment:

All property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance expenses are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

(n) Intangible Assets:

Intangible assets purchased are initially measured at cost.

The cost of an intangible asset comprises of its purchase price including duties and taxes and any costs directly attributable to making the asset ready for their intended use.

Intangible asset acquired in business combination are recognized at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in statement of profit or loss as incurred.

Depreciation methods, estimated useful lives and residual value:

Depreciation is calculated using the written down value method to allocate the cost of the asset, net of their residual values, if any, over their estimated useful lives which are in accordance with the useful lives prescribed under Schedule II to the Companies Act, 2013. Gains or losses arising from the retirement or disposal of a tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

(o) Impairment of assets:

Non-Financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognized immediately in the Statement of Profit or Loss.

(p) Provisions and Contingent Liabilities:

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of managements best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are not recognized for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Where the likelihood of outflow of resources is remote, no provision or disclosure as specified in Ind AS-37 "Provision, contingent liabilities and contingent assets" is made.

(q) Employee Benefits:

i) Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services upto the end of the

reporting period and are measured at the amount expected to be paid when the liabilities are settled.

ii) Post-employment obligations:

There are no post-employment benefit plans such as gratuity and defined contribution plans such as provident fund.

(r) Earnings Per Share:

(1) Basic earnings per share:

Basic earnings per share is calculated by dividing-

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year.

(2) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilute potential equity shares.

(s) Rounding of Amounts:

All amounts disclosed in the financial statements and notes have been rounded off to nearest rupees as per the requirement of Schedule III of the Act, unless otherwise stated.

(t) Segment Reporting:

Operating segments are reported in a manner consistent with the reporting provided to the chief operating decision maker. The chief operating decision maker of the Company consists of the Chairman and Whole Time Director, Vice Chairman and Managing Director, which assesses the final performance and position of the Company and makes strategic decisions. There is only one primary reportable segment, the disclosure requirements of Ind AS 108 – operating segment reporting is not provided.

- The after income tax effect of interest and other financial costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(u) Financial Risk Management:

Risk Management Framework

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the management is responsible for overseeing the Company's risk assessment and management policies and processes.

(1) Credit Risk

Credit risk arises when a counter party defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company deals with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Company uses publicly available financial information and its own trading records to rate its major clients. The Company's exposure and credit ratings of its

counterparties are regularly monitored and the aggregate value of transactions concluded is spread amongst counterparties.

(v) Credit Risk Management:

Trade Receivables:

Trade receivables are typically unsecured and are derived from revenue earned from clients. Credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of clients to which the Company grants credit terms in the normal course of business. Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

(2) Liquidity Risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The responsibility for liquidity risk management rests with the Board of Directors, which has an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities by regularly monitoring forecast and actual cash flows.

The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company has no outstanding borrowings except vehicle loan. The company believes that the working capital is sufficient to meet its current requirements the company does not face a significant liquidity risk with regard to its financial liabilities as and when they fall due.

Maturities of Financial Liabilities: The tables below analyses the company's financial liabilities into relevant maturity grouping based on their contractual maturities.

The company's principal sources of liquidity are cash and cash equivalents and the cash flow i.e generated from operation. The company has no outstanding borrowings except vehicle loan from bank. The company believes that the working capital is sufficient to meet its current requirements. The company does not face a significant liquidity risk with regard to its financial liabilities as and when they fall due.

(3) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Currency risk, Interest rate risk and other price risk such as equity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

(a) Foreign currency risk exposure:

The company does not have any exposure to foreign currency risk as at March 31, 2024. (Previous year Rs. Nil).

(b) Interest rate risk:

The company has no borrowings from banks and thus not exposed to interest rate risk.

(c) Price risk:

The company does not have any other investments including investment in subsidiary companies, associate companies and Joint Venture Company and investment in equity of listed companies and are classified in the Balance Sheet at cost. Further investments in subsidiaries and associated companies are held for strategic purpose and are not trading in nature.

(4) Capital Market:

The Company considers the following components of its Balance Sheet to be managed capital:

Total equity as shown in the balance sheet including reserves, retained earnings, and share capital.

The company's aim is to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders.

The company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

(w) Ind AS 115, Revenue from contracts with customers:

Ind AS 115, Revenue from contracts with clients deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with clients. Revenue is recognized when a client's obtains control of a promised service and thus has the ability to direct the use and obtain the benefits from the service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those services. The standard replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts and related appendices.

Effective from April 1, 2018, the Company has applied Ind AS 115. Revenue from Agreements with Clients which establishes a comprehensive framework for determining whether how much and when revenue is to be recognized Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

The performance Obligations in our contracts are fulfilled at the time of delivery of or upon customer acceptance depending on customer terms. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the Government such as Goods and Services Tax etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognized to the extent that it is highly probable a significant reversal will not occur. Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether how much and when revenue is to be recognized Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

(x) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(y) Other Amendments:

The MCA has notified below amendments which are effective from 1st April 2019.

- Appendix C to Ind AS 12, Income Taxes
- Amendments to Ind AS 103, Business Combinations.
- Amendments to Ind AS 109, Financial Instruments.
- Amendments to Ind AS 111, Joint Arrangements.
- Amendments to Ind AS 19, Employee Benefits.

- Amendments to Ind AS 23, Borrowing Costs.
- Amendments to Ind AS 28, Investments to Associates and Joint Ventures.

Based on Preliminary work, the Company does not expect these amendments to have any significant impact on its financial statements.

Note 3:

Critical Estimates and Judgments:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involve a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumption turning out to be different than those originally assessed. Detailed information about each of these estimates and judgment is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

Estimated useful life of Tangible Assets:

The Company reviews the useful lives and carrying amount of property, plant and equipment at the end of each reporting period. The reassessment may result in change in depreciation and amortization expense in future periods.

Estimation of Current Tax Expense and Income Tax Payable/Receivable:

The calculation of Company's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material judgment to taxable profit/losses.

Estimation of Contingent Liabilities:

The company exercises judgment in measuring and recognizing provisions and the exposures to contingent liabilities which is related to pending litigation or other outstanding claims. Judgment's necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision or contingent liability.

Recognition of Deferred Tax Assets:

The recognition of deferred tax assets is based upon whether it is probable that sufficient taxable profits will be available in the future against which the reversal of temporary differences will be offset. To determine the future taxable profits, the management considers the nature of the deferred tax assets, recent operating results, future market growth, forecasted earnings and future taxable income in the jurisdictions in which the company operates.

Impairment of Trade Receivables:

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The company uses a provision matrix and forward-looking information and an assessment of the credit risk over the expected life of the financial asset to compute the expected credit loss allowance for trade receivables.

Estimates and judgment are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

Note 4:

Previous year's figures have been re-grouped, re-arranged, re-classified and re-casted, wherever necessary to make them comparable with current year's figures in conformity with the Indian Accounting Standards (Ind AS) to financial statements.

The average credit period on sale of products/services is 60 days. No interest is charged on trade receivables overdue. The company has generally recognised an allowance for doubtful debts at 100% against receivables from whom recovery is uncertain. Trade receivables disclosed alone include amounts that are past due at the end of the reporting period for which the company has not recognised any allowance for doubtful debts because there has not been a significant change in credit quality and the amounts are still considered recoverable. In considering the recoverability of a trade receivable, the company considers any change in the credit quality of the trade receivable from the date credit was initially granted upto the end of the reporting period.
